When you cut it short

I was surprised at first

Uh, yeah

Hey Junko, your hair's getting long

I'm Koide Junko

I'm a girl in 3rd grade junior high

A girl, but...

There are some like that, right? No courage to confess, the type to just wait

...It's becoming a boy's body

Post-pubescent sex change disorder

That kind's no good

I'm starting to grow a penis

Makes me wonder if they've got a dick or something

Hoi, Okashita !!

Ah

I have a secret

Wow, did you confess to someone and get shot down?

No way !!

Something I'm keeping hidden

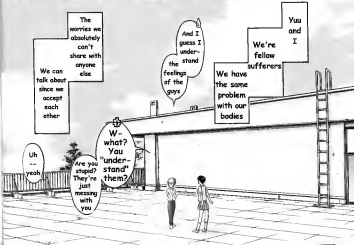

from everyone

Yeah, it should be the boy who confesses

My body, my own body

Ah, ahem

Junko's not the confessing type, she wants someone to confess to her

Don't laugh, but Yui uses the masculine "boku" here...

Is... is that my fault?

Hell yeah! You never stand up for yourself, Yui!

Man up!

I'm asking just what the hell is a boy doing confessing to you!

"Wh... what the hell is going on..."

Yamaguchi suddenly asked to talk to me... and then...

I'm getting angry...

Aaah... I

What's with you!

You're becoming "girly" just like the boys and your family want! and because of that, because of that Yui...

A-act like a man, will ya

Just like a girl

M... Man up?

Ah

Right!

That expression on your face is exactly what I'm talking about!

I'm getting het up

I'm starting to shout

Uh... well...

I just heard something amazing!

Yamaguchi in class 1, you know him?

Plan-looking guy, right?

Yeah, I know him

Huh? Wazzup?

HEY! HEY! BIG NEWS
